II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? *(check all that apply)*

I Damien D Pugh is the owner of 11460 S Lookout Ridge Stanwood, Michigan 49346(Parcel # 11147926) was in the planning process of building a home when I noticed a structure from the residence of Janet A Panozzo built within my parcel parameters. I never received any permission to build on my property nor were there any zoning permissions from Morton Township. I inquired about zoning records from the Morton supervisor and the zoning officials and they weren't able to provide any records or permits. I would like the structure removed on/by December 2027 to prevent illegal access to my property but way of adverse possession.

IV. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

I'm asking for the court to order Janet A Panozzo or the current resident of 7249 Southwest CT Stanwood, Michigan to remove the structure from my property as it jeopardizes the integrity of the deed
